The street guide arrived in the alotted time and it was as I expected --- good. Had the identical guide when it first came out, but over the years it became torn and frayed through heavy usage. So I new what I was getting and it is serving me well on my job that requires alot of short trips in the cleveland area. I would love that rand mcnally would come up with an updated version, but I was told this is it in book form.... the next one will be all digital. Bummer !

My husband will love using this map, and they are hard to find, so I was pleased to be able to order it for him.
