Synopsis

From world-class dining and spectacular outdoor adventures to quirky pastimes and raucous sports fans, Portland is a city with something for everyone. In 100 Things to Do in Portland Before You Die we have done our best to give readers a taste of everything Portland has to offer. We love brewpubs, tattoos and major league soccer. We pride ourselves on being hipsters, runners and foodies. It’s a city as diverse as those who live here and whether you’re moving to Portland or just visiting for a weekend, this book will provide tips, itineraries and overviews of some of the city’s most notable, notorious, and hopefully a few yet-unknown, hot spots.

From world-class dining and spectacular outdoor adventures to quirky pastimes and raucous sports fans, Portland is a city with something for everyone. In 100 Things to Do in Portland, Oregon, Before You Die we have done our best to give you a taste of everything Portland has to offer. We love brewpubs, tattoos, and major league soccer. We pride ourselves on being hipsters, runners, and foodies. A native Oregonian, Ann has lived in Portland since 2000. She proudly owns the local PR firm, A.wordsmith., and avidly enjoys the city’s culinary scene, sports teams, and outdoor patios where cider is served on sunny days. Allison Symonds moved to Portland in 2014, and the pine trees, Thai

food, and wine soon won her over. Her guest room is now the resting spot of choice for countless friends and family members visiting the Pacific Northwest.

I’m a native Oregonian and a retired tour operator who wishes Ann had written her book before I retired. I may not have taken a motor coach full of people to get bacon covered donuts but now that I know where the best mac & cheese is and the 98 other fun things to do and see in Portland, this book will be at the ready in my glove box for the next visit. It is easy to use and even native Portlander’s ought to have one./Jan Jackson

A quick and easy guide to some of the best things to do in and around Portland. Well worth it.

This is not, really, a review of the book - I just thought it’s misleading to describe the first of the two writers of the book as a "native Oregonian." Unless you were born here or lived here from the age of a small child or at least a teenager - you are NOT a "native," this isn’t Oregon-centric Xenophobia - from a real native Oregonian in my own case, born here and have lived here off and on - mostly on - since 1980 - but a defense of conventional and correct English-language usage.
