Customer Reviews

For more than twenty years, the InsidersÃ¢â ¬â„¢ GuideÃ Â® series has been the essential source for in-depth travel and relocation information—from true insiders whose personal, practical perspective gives you everything you need to know.Ã Â From world-class ski resorts and rugged mountains to pristine beaches and magnificent golf courses, thereÃ¢â ¬â„¢s more to Reno and Lake Tahoe than just spectacular entertainment venues and casino gaming. This authoritative guide will show you how to navigate the crystal-clear waters of Lake Tahoe and the exciting nightlife of “The Biggest Little City in the World.Ã¢â ¬Â•Ã Â Inside you'll find:•Ã Â Ã Â Countless details on how to live and thrive in the area,Ã Â from the best shopping to the lowdown on realÃ Â Ã Â Ã Â estate•Ã Â Ã Â The inside scoop on popular attractions such as theÃ Â National Automobile Museum, Truckee RiverÃ Â Ã Â Ã Â WhitewaterÃ Â Park, and Sierra Safari Zoo•Ã Â Ã Â Comprehensive listings of restaurants, accommodations,Ã Â and year-round outdoor recreation—fromÃ Â Ã Â Ã Â snowboardingÃ Â and skiing to golfing and horseback riding•Ã Â Ã Â Sections dedicated to children and retirementÃ Â

Jeanne Lauf Walpole has written for a variety of publications, served as editor and publisher of a

travel newsletter for mature travelers, and was a contributing writer for Reno & Tahoe Country: An Illustrated History of Western Nevada. She writes regularly for a variety of magazines that include Nevada Business Journal, RLife, and Family Pulse.

I have been a long time visitor to Lake Tahoe and knew the north shore pretty well. This book opened my eyes to a lot of new places to visit on my last trip. I liked how the sections were broken out, including activities for families/kids. My wife and I went to lovely restaurant listed, Lone Eagle Grill, and thoroughly enjoyed it.There is another section for day trips that was also of great insight as we traveled to Truckee for the day. I certainly have picked out other day trips and activities for future return visits. I would highly recommend this book if you are looking to expand your list of activities in the Tahoe area.

We bought this book as a guide for a family trip to Tahoe. We had never been and knew little about the area. This book is so poorly organized that I hardly opened it once we got to Tahoe. I ended up using the internet more than the book. I use travel guides frequently and have never found one so difficult to use. It is basically just lists that are organized for each city (Reno, North Tahoe, South Tahoe, Sparks) There are no "Insider" tips on what is worthwhile or any useful information about how to organize your time in Tahoe etc.

I have just moved to Reno and this book was on my hit list so I can understand and get acquainted with the area as soon as possible. This book is has been a great tool. In the short time I've been here I've seen/done/been to a few of these places referenced and the author describes them exactly. This man knows Reno/Tahoe. I can see me using this book for many years. The only thing I am a bit disappointed in is the amount of restaurants he reviewed. To be fair, there are many, many choices but it does seem that the coverage was a bit less than I would like. I guess I could just try them myself. In summary, very good book and extremely valuable for inside information on Reno/Tahoe.

I look forward utilizing it during my trip to Reno. It seems thorough with a plethora of information.

I knew that this book was published in 2009 and noted another review that warns not to buy it, but there are no other choices for travel guides that cover these two areas. But this is really a waste! I will be returning the book and going to AAA instead for their guide.

Wow what a extensive book on what all is offered in that area !

This book provided the information I needed.

We got this updated edition because we were moving to Reno and had to have the latest scoop on all the information this book holds, and it holds a lot of information. It has been a tremendous help, but lacks maps.
