## Customer Reviews

Tired of the same old tourist traps? Take the road less traveled and discover the hidden attractions, unique finds, and unusual locales other guidebooks just don’t offer. Off the Beaten PathÃ Â® features the things you’d want to see - if only you knew about them! From the best in local dining to quirky cultural tidbits, you’ll say over and over again: "I didn’t know that!" Whether you’re a visitor or a local looking for something different, let Nevada Off the Beaten Path show you the Silver State you never knew existed. Watch for flying saucers along the Extraterrestrial Highway; go off-roading in the shifting dunes of Sand Mountain; explore ancient petroglyphs at Grimes Point Archaeological Area; or learn about the original need for speed along the historic Pony Express Trail. So if you’ve "been there, done that" one too many times, get off the main road and venture Off the Beaten Path.

Heidi Knapp Rinella is a features writer and restaurant critic for the Las Vegas Review-Journal. She resides in Henderson, Nevada.

As a three going on four year resdient of the Silver State, I highly recommend this book for even short term visitors who want to see something more than the Vegas strip. There’s more to Nevada than casinos - beautiful desert vistas and some really offbeat places, like Area 51, are a welcome

break from the neon.
