This is a great read. It is a must-read if you are in addiction medicine. I've been in an addiction medicine for a while and it has taught me a lot. It covers just about every situation known to man. Phenomenal book

I retract my previous bad review. My mistake.

The authors provide cut-to-the-chase pearls for physicians who are providing treatment for those suffering from addictions. The questions at the end of each chapter are useful in preparation for the Addiction Medicine board exam.
