Customer Reviews

The American Medical Association (AMA) is the premier national organization dedicated to shaping a healthier future for America by empowering the nation’s physicians to provide safer, more efficient and higher quality care for patients andcommunities. For more than 50 years the AMA has used its knowledge and resources to author and publish books, data files and online resources that answer the needs of today’s busy physicians and their staff. The AMA line includes titles on CPT(R), HCPCS and ICD-10 coding; reimbursement; practice management; impairment; and HIPAA, electronic health records and Meaningful Use.

Newest updates to the PCS coding. IF you need the book, this is the one.

This book is amazing. It has been extremely helpful in my coding classes. I highly recommend the AMA book.

given as a gift

I wasn’t particularly satisfied with this book. I thought it was a spiral book. So it’s not that easy to use.

Came in plastic and as described. Now if only I could order a tutor to help me study....

Just what I needed

Just as you would expect. Great book.

Love all ama books
