Synopsis

An Exploration of the Old and New Testament for Young Readers Unlike Any YouÃ¢â ¬â„¢ve Ever Seen Before Minecraft has swept the world by storm. More than one hundred million games have been sold. Parents of children who play Minecraft will love this fun, educational collection of Bible stories. With the world of Minecraft as a backdrop using vivid, full-color screenshots, children will experience the Bible as never before. Authors Garrett Romines and Christopher Miko are teachers who have used Minecraft to create imaginative worlds in their classrooms. Now, they have created Bible stories with virtual blocks to produce vibrant, 3-D worlds filled with adventure and astonishing imagination. With fascinating scripture and narrative simplified to teach young readers, this is the perfect gift. The images created are not only of magnificent, vast terrains often found in Minecraft but also feature artfully re-created Bible characters, such as Adam and Eve, and superb designs of the pyramids and NoahÃ¢â ¬â„¢s ark. A range of biblical characters such as Jesus and Pharaoh are offered in fun, colorful scenes kids will treasure. Engaging stories including the Tower of Babel and the story of Abram and Lot, to name a few, are here. With over 470 images, young readers will explore the story of creation, the journey of Abraham, David and Goliath, MosesÃ¢â ¬â„¢s great journey, the birth of Jesus, the Last Supper, and many more stories! The Unofficial Holy Bible for Minecrafters makes the Bible more entertaining, engaging, and accessible for children than ever! This adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO.

My 8 year old read these in 2 days. Great, simple stories. Great way to get your minecrafter inter sets in reading bible.

We gave this to our son as a gift for his 1st Holy Communion and he loved it!

These books are really fun! Not only does it get my kids more excited about learning more about the bible, but it also gives them really cool ideas about things to build in Minecraft. This is a winner!
