Best Sellers Rank: #96,902 in Books (See Top 100 in Books) #48 inÃ Â Books > Humor & Entertainment > Puzzles & Games > Sudoku #20881 inÃ Â Books > Children's Books

Customer Reviews

Frank Longo is a freelance puzzle creator who lives in Hoboken, New Jersey. He has had more than 3,000 puzzles published since 1993 and written many books for Sterling, including Master Ninja Sudoku, Beyond Black Belt Sudoku, and Beach Blanket Sudoku, as well as crossword books. He is known for being able to produce sudoku that are diabolically difficult yet fair, requiring the solver to use advanced techniques not found in typical newspaper and magazine puzzles.

When I read the description I saw "Challenging to solve". I'm a seasoned player and require "Challenging Puzzles". I was sadly disappointed when I opened the book to find One to Three stars of difficulty. That is not what I consider "Challenging". Five to seven stars is "Challenging". The large print is great, but that is the only positive note I can make on this product.

I like Frank Longo's puzzle books and have done quite a few of them. I've also had other large ring Sudoku books, but this one is just too large. I can't imagine anyone with poor enough vision to require this size of a page. Haven't tried any of them, put off by the huge size of puzzles.

Great Sudoku fun. I love these books as it keeps the mind going. Only problem is that I kept running out of pencils so I switch to pens. After a while, pens are fine. I always look for easy to hard as it makes me think even when I don't want to. I have worked a ton of Sudoku puzzles and love this book. I continue to buy more but also got one for my computer. However it's more fun working with pens as it more thought provoking.My only concern is that Sudoku is becoming lest popular and it's getting more difficult to find books. However, as long as they are available, I will buy them. I wish would extend their offerings, but if there aren't enough sales, I can understand a lack of choice.

Prompt service. Love doing Sudoku.

OMG this Sudoku puzzle book is HUGE! I was hoping that the puzzle size would be at least 50% bigger than standard print ones and this one has exceeded my expectations! So clean and crisp smelling too! (I love the smell of fresh books, lol)This is a Christmas present for my father and I cannot wait to see his face when he opens this up! I will definitely order when more different prints become available!

Too big.

My husband loves these--- good mix of varying degrees of difficulty.

Once again this series does not disappoint. It is marvelous for those who have eyesight issues.
