I understand its a small book, but the letters could be a bit bigger.

Great booklet gift for an elderly friend.

Love these little pocket word finds. Keep one in my purse with a highlighter at all times since I am not one who cares for magazines in waiting rooms. Also gives me something to do on long drives when the scenery is nothing worth looking at. Also good for any time I want to calm my mind.

I buy these for my mom. She loves them. Pops them in her purse and when waiting for hours at Dr office she does of few of these puzzles.

Great word search! It’s so cute and small. Prefect for trips! Kind of small to see if you wear glasses, but I would recommend this for trips. I took it on the plane to England. Helped with the 12 hour flight. ÃƒÂ Ã Å¸Ã ËœÃ â

I love carrying these on the plane! They are the perfect size, adorable and the puzzles are just perfect. What a great way to pass the time. It was a great idea to place puzzles in this type of "wrapping." You don’t have to advertise what you are working on, they look classy, and are the perfect size!

Bought this crossword book for my Lady for our trip to Florida. She completed the whole book during the flight and gave it a AAA rating. Good travel companion for the Crossword addict...
