Customer Reviews

Peru is the fourth most visited country in South America. 2013 saw record numbers of international visitors Ã¢â ¬â œ over 3 million, an 11 percent increase on the previous year.

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

i was in peru for two weeks and then the galapagos islands for another week..this book was quite helpful to read before i went. it was also very interesting when i returned...was helpful and easy to read..nice pictures

Very detailed interesting book

helpful for prepping for my trip

I like all the Insight Guides...

Was a valuable resource for planning my recent trip to Peru.

I loved that it had detailed maps of Cusco and Machu Picchu, as well as detailed descriptions of the ruins. However, I ended up purchasing another Peru book, as this one left out some key sites and festivals and also the description of Machu Picchu wasn't as great.
