Best Sellers Rank: #348,249 in Books (See Top 100 in Books) #17 inÃ Â Books > History > Americas > Caribbean & West Indies > Jamaica

Customer Reviews

Clinton V. Black, a Jamaican, is the island's Government Archivist. His writing has ranged widely in scope and form, from the short story to purely professional archival works.

The author has written a brief, comprehensive history of an island which has seen many exciting events. Warfare , rebellion and the fight against slavery marked the early centuries. This makes for interesting reading, but many people living through it must have thought they were suffering the Chinese curse of living in "interesting times." The author continues the story through the struggle for independence and into modern times. This book provides an excellent starting point for the study of Jamaican history.

Good book. Detailed for grade school level which is not a negative. I enjoyed reading it because it was my first book on Jamaica.

This book starts with the arrival of the Arawaks a thousand years ago and continues to the 1960s.This is an excellent History of Jamaica. It describes the visits of Columbus, the rule of the Spaniards and the English up to Indipendence.

Excellent book

This book is one dimensional and biased as to the history of Jamaica’s beginnings and inhabitants

It has been a very good info.

Not what I expected. The pages look old and yellowed and not very interesting. I ordered a hard cover book and received, instead, a soft cover book with a bent cover and pages. For this I paid $150.00 plus shipping.

great . love it . for my best friend, Love my bread product. It does its job well. good product with high quality.
