Synopsis

A feast for the eyes as well as the palate, this is the ultimate presentation of the exquisite flavors of Hawaii and the Pacific Rim. Boldly reinventing Hawaiian cuisine, award-winning chef Roy Yamaguchi emphasizes exotic seafood and fresh island ingredients, while borrowing techniques and flavors from European and Asian cooking. With favorites like Ahi Tartare with Crispy Polenta and Teriyaki Duck Salad with Candied Pecans and Papaya, this landmark book will help home cooks savor the tastes of the tropics no matter where they liveMore than 150 innovative recipes from Roy Yamaguchi's world-famous Hawaiian fusion restaurants. Includes more than 100 full-color photos of Roy's vibrant dishes and Hawaii's natural beauty. The hardcover edition has sold 100,000 copies.

Customer Reviews

Yamaguchi is the chef widely acknowledged as putting Hawaii's emerging food scene?Hawaiian regional cuisine?on the map, and he now has seven restaurants, including one in Tokyo and another in Pebble Beach, to his credit. He calls his cooking style "Euro-Asian," drawing on his Japanese background, classic culinary training, and restaurant experience in California. Teriyaki Duck Salad with Candied Pecans and Papaya, Ahi Tartare with Crispy Polenta?these are chef's recipes to be sure, and most cooks would probably rather dream about eating them in Hawaii than attempting to make them. But Yamaguchi is talented, and foodies will be intrigued by his exotic fare. For area and larger libraries.Copyright 1995 Reed Business Information, Inc. --This text refers to an

The recipes easily take the home cook to a higher level, and the photography is stunning. — Orlando SentinelFrom the Hardcover edition.

I am in absolute love with all of Roy’s cookbooks. I bought this one after having owned the newest one already. I love the difficulty and time consuming recipes, it makes my cooking obsession fun and challenging! If you enjoy Hawaiian Asian fusion and really enjoy cooking you will love these books! This book includes his famous chocolate souffléÃƒÂ© recipe, and it’s super easy too!

This is a classic, great recipes, easy to cook, presentation is a bit harder, but worth reorganizing your life-style to cook this healthy way

My nephew in new Orleans loved it. Birthday present.

My daughter will love her birthday gift.

Great!

Great chef great book

I’ve had this cookbook for 10 years and love eating at Roy’s. My wife and I are amateur cooks that love testing recipes in the kitchen. This book was not very user friendly and many of the fish and ingredients are difficult to find and expensive. Cooking is fun but it takes a lot of energy. When the payoff doesn’t compare to what you are expecting it is a let down and to me, that’s what this cookbook is.

Really great recipes, and a fabulous gift for a friend from Hawaii.
