Her parents, however, want her to experience more of life. But Ruth hadnÃ¢â ¬â„¢t anticipated that a murder would shatter the peace in their Amish community. When a woman is found dead, Ruth decides that she will have a Rumspringa after allÃ¢â ¬â œand it will be solving the murder.Luckily, she doesnÃ¢â ¬â„¢t have to walk this difficult path alone. Her best friend Enoch Schuller is with her, to help her and protect her from danger.Ruth and Enoch soon find themselves trying to solve a murder with little to go on besides rumors. Customer Reviews

I didn’t realize that this book was all short stories. They were good but I would rather read a full

length story!

I have read alot if Amish fiction and non fiction books. Probable too many to even name and alot of them not even worth mentioning. This is definitely one book I WILL REMEMBER. It was different from so many of the other Amish books out there as I had to remind myself that this book was a work of fiction. I think that makes this a win-win book to read. When you can read the authors words and feel like this book could actually be non fiction. "The Amish Heart" was fast paced and I didnt even realize that I was nearing the end until I was almost there. I will continue reading books by this author.I was provided an ARC of this book by the author and I in return gave MY honest opinion of what I thought about it. All views are strictly MY own

I really enjoyed this book! It kept me attention...from beginning to end! I hope to read more by Katie Fisher...in the future! This was the first book that I have read by her...and it definitely won't be the last!!! Ruth and Enoch...were very interesting characters...who kept my interest...they were just like real people...in some books...you don't feel that! Katie Fisher did that...and that is great! It was funny to watch the things they did...their antics...in other words! I would like to add...that I did voluntarily read an ARC of this book...and it was wonderful...

A very good clean romance with a touch of mystery. Ruth does not want to go on her rumspringer. Her friend has been murdered. Could it possibly have been someone in the Amish community or was it an outsider? Ruth decides to investigate. Enoch will help. But will they have the strength to follow it to the end? How strong is their relationship? Will it tear it apart or take it forward?I really enjoyed this book. I received the ARC book for an honest review.

The Amish Heart, by Katie Fisher.It's about Ruth Kepthart, who don't want to go on a Rumspringa. But when a murder on a woman is shattering the peace in the Amish community, she decides to take a Rumspringa after all.Enoch Schuller, her best friend, are teaming up with Ruth to help her solve the murder mystery.Is it on of the Amish community? Or is it one of the Englishers?The Amish Heart is a sweet suspense romance!I thank the author for providing a copy to voluntarily review.

This book is a series of short stories and NOT as described. I borrowed it using the kindle owners loan so no money lost. The first story is about Hannah, Abram and Eli and does contain a murder but definitely not the book I thought I was getting. The title on the cover says "The Amish Heart" and

the title inside says "The Amish Best Friend."" Nice to get all those bonus short stories but didn't read them. Just didn't care for the style of writing. Writing is simplistic. More for a young teen.

This is a well written suspense story. The book, The Amish Heart really grabbed my attention, Normally you think of the Amish community as a pure, low keyed community God loving Community, but when crime is introduced as a main element of the story, it fully engages you. The main characters, Ruth and Enoch were well developed, and what is often the case, what they for felt for each other was so much more than friends, but in their community, they had a hard time to express it.

The Amish Heart was a sweet story that I enjoyed reading. The story line was good and the writing had been proof read as I did not see any errors. As for the bonus books - sadly to say I had read them all already. I guess I read to much. I really enjoy novellas as they are fast reads. The bonus stories were good, but I did not feel like reading them a second time when I still remember the stories. Katie Fisher is a well liked author and I will read more of her work.
