Customer Reviews

Helpful.

We needed a catalogue for pricing Avon collectibles. My mother in law who was an Avon lady for many years died and we auctioned off her estate. She had over 1200 collectibles and fortunately one customer bought them all. I had created a spreadsheet. Using the catalog. Very helpful.

Nice reference book

Was a really good tool

EXCELLENT SOURCE OF AVON PRODUCTS

Just received today, but is exactly as described, and a great reference book to boot.

The book is OK... It didn't seem very well organized and I was not able to locate the things I am looking for very easily. If someone has a lot of time to go through it, it could be helpful to them.

Very informative
