The late Roger Hargreaves created the Mr. Men series for his son, Adam, who currently oversees the estate and creates illustrations for new Mr. Men books.

I loved this story as a kid and when I found out that one of the little boys I was babysitting had several of the other books from the series I started bring over my old copy to read to him. He LOVED it and would ask me each and every time I came over if I had brought Mr Skinny with me. I couldn't part with my childhood favorite so I was elated when I found this copy online and immediately purchased it for my best buddy. Great purchase for a great price. Neither one of us could be happier!

Will Mr. Skinny ever be able to eat more than one cornflake for breakfast, a baked bean for lunch

and the world’s smallest sausage for supper? Thinking the doctor might be able to help him he goes to visit Dr. Plump who brings out all sorts of goodies for a mid morning snack. Guess who eats the most? I’ll give you a clue. It isn’t Mr. Skinny!Seeing that his "prescription" hasn’t worked, Mr. Plump calls Mr. Greedy to ask if Mr. Skinny can go stay with him for a month. How does that work out? Read the book to find out.A humorous Mr. Men book that our children love.

This one is extra funny. I really liked it. I read to 4th graders and they absolutely love these books. They request more and more of them. I’m glad a classic book from when I was young is interesting to kids now.

I purchased a couple of Mr/Mrs books for my grandson when he was 4. He absolutely fell over laughing at the humour, and wanted those books read five times a day. I have bought more since, and they are extremely popular with him.Good buy...

I love this book and my son loves it too. All the Mr. Men books bring back good memories from my childhood. The story is fun and easy to follow.

These are the small 4" size books...info which we could not find when purchasing. Prefer the larger size book but the story is still classic.

Mr. Skinny is a skinny fellow. The problem is that he lives in Fatland. Everything there is fat but himself. How will he fit in, being the thin peg in a fat hole world? Thankfully, with the help of a portly doctor, and a suprise cameo by another of the Mr. Men tribe, there is a solution to Mr. Skinny’s problem!

Mr. Skinny was a little book my daughter wanted read over & over again when a young girl. She is now 30, & was thrilled to have an old friend back in her life...
