Synopsis

Frances is a fussy eater. In fact, the only thing she likes is bread and jam. She won't touch her squishy soft-boiled egg. She trades away her chicken-salad sandwich at lunch. She turns up her nose at boring veal cutlets. Unless Mother can come up with a plan, Frances just might go on eating bread and jam forever!

Grade Level: Kindergarten - 3

Customer Reviews

Frances loves nothing better than jam and bread, and turns up her nose at other kinds of food. Then her mother starts giving Frances jam and bread for breakfast, lunch and dinner. "What I am/is sick of Jam," Frances sings to herself. That's the end of Frances's jam-only days, as she discovers, in her own winsome way, that variety really is the spice of mealtimes. Copyright 1987 Reed Business Information, Inc. --This text refers to the Hardcover edition.

Ã¢â ¬Å“The Hobans have done it again: a sly text attacking a real juvenile problem and attractive illustrations. Highly recommended.Ã¢â ¬Â• (Kirkus Reviews)Ã¢â ¬Å“Makes its point for fussy eaters Ã¢â ¬Â¦ gently, amusingly, and most effectively.Ã¢â ¬Â• (ALA Booklist)Ã¢â ¬Å“Frances discovers, in her own winsome way, that variety really is the spice of mealtimes.Ã¢â ¬Â•

I had this book as a kid & I was pleased to find it on to buy for my daughter. I put it in her Easter basket. It’s a great book & we’ve e joyed reading it together. It’s a nice size, not too big, & soft cover, & the writing & pictures are just as I remember it! The price was great too!!!!

This is not the same as when I was a kid. The book seems to be edited down and somehow made modern. The cover is shiny and somehow less quaint than it was. Not a fan of the "updates"...

Very cute and wonderful nostalgic book. Remember it from my childhood.

A wonderful story for your picky eater child. Very funny and always an old favorite.

Who doesn’t like Frances? Charming young readers.

While I love the original version of this book, I was sorely disappointed to find that the "I Can Read" version that I purchased is abridged. Several charming lines are deleted and there are no markings to indicate that it’s abridged except in the fine print of the copyright information.

I loved the Frances books when I was little and this one has not failed me. My child loves it (2yo) and asks for it by name. It holds his attention and he understands the concepts/storyline. My 6yo niece can read it to us as well, and it is a good length. We will be getting more of the Frances books for our library!

This was a favorite of mine as a child... personally, I consider it a classic. The author really identifies childhood dilemmas of the everyday variety. This book in particular preserves a sense of freedom for children while also using child psychology so as to learn to make good choices.
