John Phillips writes with enthusiasm and clarity, . . . cutting through the confusion and heretical dangers associated with Bible interpretation. -- Moody Magazine

John Phillips (1927-2010) served as assistant director of the Moody Correspondence School as well as director of the Emmaus Correspondence School, one of the worldÃ¢â ¬â„¢s largest Bible correspondence ministries. He also taught in the Moody Evening School and on the Moody Broadcasting radio network.

The commentaries on Psalms (two volumes) are not cheap, but are a great investment. They are well-made books that should last for years, and John Phillips is an excellent writer, thorough, but easy to understand. They would make thoughtful gifts, also.

The book looked like it had been splattered with ink from a ruptured pen but, thankfully, it one affected the exterior. Inside everything is fine.

Arrived on time and as advertised

Just super from the Moody professor

Really helps to understand the Bible better.

A good treatment of the Psalms.

John Phillips does a great job on explaining the Psalms!

Phillips makes some great points and helps understand the Psalms even better. I would recommend this book for the Bible student.
