Customer Reviews

I completed the books for my 5 grandchildren. Of all their gifts, it was their favorite..it gave me the opportunity to share many family memories with them and to remind them of how special they are. It took some time but it was worth it when I saw how much they loved reading it and the laughter and some tears came to their and their parents eyes..

This book guides you to think and discuss all of the wonderful things about your kiddo. We might not tell our children how proud we are of them often enough. This book will help get those conversations started.

Smaller than expected vbut still cute and a wonderful idea. Fits in the palm of your hand.

This is a great way to lift your child's confidence and remind them how proud you are of them in detail!

So fun to fill out and send with your child to camp or college. I bought 2 and did both!

A very cute book I gave to each of my daughters, but know that it's a tiny book that fits in an adult's hand.

Sweetest little thing ever.

This really was so cute! I enjoyed writing it and my son (6) enjoyed reading it!
