Synopsis

Throughout Burlesque: The True Art of Seduction, author Michel Grondin paints a vibrant and extensive portrait of this up and coming art, helping the reader to better understand its roots and stunning vitality. Burlesque pays tribute to all the distinguished female performers of the past, while celebrating its newest and most-skilled practitioners. Through in-depth and impassioned research, the author recounts a captivating slice of history in the process. In his rich exploration of the subject, Michel Grondin is supported by his co-author Scarlett James, the French Canadian muse of burlesque. Scarlett, sporting a physique reminding us of a 1950s pin-up artist, delivers exclusive insight into the wondrous global art of seduction. Enjoy a voyage filled with color, sensuality and elegance. Allow your senses to be titillated as you delve into this delightful fantasy experience . . . And yes, that is Scarlett featured on the cover!
