Synopsis

Farm Street offers the first illustrated account of the Jesuit Church of the Immaculate Conception, located at Farm Street in Mayfair, London. Building on an inauspicious site between some stables and a workhouse, the architects created a contrasting interior of exceptional beauty and opulence. The church consequently grew to become a center of British Catholicism, witnessing influential sermons and masses attended by such prominent figures as Evelyn Waugh, Edith Sitwell, and Lord Longford. Ã Â This book charts the intricate negotiations that led the JesuitsÃ Â to build when and where they did, offers a definitive architectural history of the buildingÃ Â itself, and tells the story of the church through the war years up to the present. Including specially commissioned photographs by Andrew Twort, this sumptuous book, whose proceeds support the ministry of the Church of the Immaculate Conception, tells the remarkable story of one of LondonÃ¢â ¬â„¢s great Catholic institutions.
