Synopsis

Get the most from the Prime Music component of your Prime subscription with this concise and clear guide! Learn to download songs for offline listening, build custom playlists, import music from your iTunes or Windows Media libraries, and more with this handy guide to Prime Music!How to use Prime Music comes from the pen of Edward Jones, the principal technology writer behind the "Kindle Fire Tips, Tricks and Traps" series of technology books. Jones is an experienced computer and technology writer, database applications development analyst, consultant, and trainer who understands the issues faced by people dealing with technology, day in and day out. His career spans years of technology training, database development, and consulting services for major law firms and government agencies in the Washington, DC area, and he currently resides in Charlotte, NC where he is concentrating on providing publications to the rapidly growing digital marketplace. Jones is also a best-selling author whose printed titles have sold over one million copies, and he has served as a technical editor on numerous computer books.

Customer Reviews

No Help

Very helpful.

very good

Provided very little information to me. Nothing more than a "broad brush" overview. If that's what you want, get it. If you want more, find it elsewhere.

Must have for Prime Music users.

Yep you get music.

Simplistic

A+ !!
