Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher,

representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Its a music book. I ordered it, I received it. That’s it.

What can I say? It was required for band. She used the first book last year, and this second book this year. Just flipping through it, it would seem that a person could use these books to teach themselves how to play. Shows the fingerings and level appropriate sheet music to go along with it. Also the CD is a nice addition for using at home.

Nice flute book. Only disappointment was that I had to order the cd separate after receiving the book. It would have been nice to be able select a cd or internet download at the time of purchase. Cd came fast though through the free mail order.

We needed this as a required book for my daughters middle school band. It arrived in great condition/new. She is enjoying the book. Thanks!

Great price for this lesson book. Amazing lessons and sturdy.

My granddaughter needed this book for school.It was what it said it is.

Great continuation of book 1. Unlike the first book this one has 1/16 notes and different time and key signatures.

Just what my daughter needed for band.
