Synopsis

Our sales records are “off the charts” for this exciting and expanding series only available from Santorella Publications. Our “Basic Chord Charts”, now available for most all acoustic stringed instruments, are a great source for learning chords quickly. The Basic Mandolin Chord Chart has concise, easy-to-read chord information presented in a clear easy-to-understand format. Made of heavy laminated, durable cover stock and when folded open, displays all your basic chords at-a-glance. Perfect for the beginner, but by showing several different inversions, can be very helpful to mandolin players at any level.

Customer Reviews

Would like to see a chart that is arranged with the chord built around the first note of the scale, then fourth and fifth notes clustered with the first. Inversions would also be nice to see. Anyway - just sayin'.
