Customer Reviews

Ã¢â ¬Å“[Garrison's] delivery transports listeners right into small-town life in the days when everything was much simpler.Ã¢â ¬Â•Ã¢â ¬â ¢AudioFile

As the host of A Prairie Home Companion for over forty years, Garrison Keillor has captivated millions of listeners with his News from Lake Wobegon monologues. He has been honored with Grammy, ACE, and George Foster Peabody awards, the National Humanities Medal, and election to the American Academy of Arts and Letters.

Garrison Keillor has a voice that is so melodious and soothing that I play his CD's over and over again. Sometimes I use them for bedtime stories, when having a night. Thinking about Lake Woebegon takes my mind off my troubles.

Nice

Another Keillor masterpiece

On longer road trips, its like having a friend in the car with you, keeping you alert and entertained at the same time.

I bought the discs for one story, Homecoming, in the Love disc. I laugh every time I hear it.

I have the Lake Wobegon USA CDs and listen to them again and again, and just love the stories. This set (Faith) I purchased a couple of years ago. I was so excited to listen to it with my sister and brother-in-law in the car and I gave it such a glowing report based on how much I enjoyed the Lake Wobegon USA CDs, and was so excited to introduce them to Garrison Keillor stories. Well, we listened to Faith and EVERYONE was so disappointed. It wasn't the same great story mix of funny and touching - it was painful to listen to Mr. Keillor going on and on about death! Finally, I voiced my disappointment and my family was relieved because no one liked it, they didn't want to hurt my feelings, and they had been more than eager to press the eject button! I eventually gave the Faith CDs to my nephew who is a fan of Garrison Keillor and didn't really believe me when I told him how bad it was. In the future, I'd like to hear other selections from Garrison Keillor, but I'm hesitant now because this one was so disappointing.

On this cassette, Garrison Keillor writes four stories that range from the absurd "Pontoon Boat", to the poignant "O death", to the delightfully real "Smokes" to the irreverent "Let Us Pray". They are definitely all keepers, and if you have the appreciation for Keillor's unquestioned genius, then you will enjoy these stories as much as I do.
