Synopsis

An exact map of thousands of actual crossword puzzle clues, this book gives answers, not lists of synonyms. It’s the perfect help for newcomers to crossword puzzles, for people building word skills, or for anyone stumped by that one obscure clue in a puzzle. Over 179,000 clues and answer words are arranged in a simplified format that makes answers easy to find. Included are many off the beaten path entries and full clue phrases that can’t be found in conventional crossword puzzle dictionaries. The author is a lifelong crossword puzzle fan, who has compiled the entries for this book over years of puzzle solving.

Purchased to replace a very used copy of the same book for my mother. She is very happy with it. Shipped and received very fast. Thank you.

My aunt couldn't be happier with the new Websters New World Crossword Key. Very helpful in her quest of crosswood puzzles, includng the NY Times crossword puzzle.

Replaces a worn out copy for my mother in law. She's thrilled to find a new copy.

I gave this dictionary to a friend who uses it often. She like it.

This is a great reference book for doing crosswords, even in the New York Times puzzles.

It had one answer for the words. I can't understand how this is the number one crossword seller.

First ten words I looked up were not there.

I used this book to do my crossword puzzles and this is my 2nd one. The other one was about 15 years old and was fallen apart. This one is the best with 99per cent information needed.
