Synopsis

2 books in 1:RV Living: A Comprehensive Guide to RV Living Full-timeRV Living: A Practical Guide For RV Living Full-TimeBook 1: A Comprehensive Guide to RV Living Full-timeYou only get to live once. One life meant for a multitude of adventures, memories, experiences, and captured moments. One life to see the world for what it is, the beauty that it holds, and the simplicity it brings. Today, many of us live for the next best thing. We live in a fast-paced, stressful, and materialistic society. A society that demands more from us than it offers us in return. In the hustle and bustle of modern-day life, days go by, culminating in a lifetime of occasional adventures but many stressors.RV living provides a break from instant gratification, career pursuit, and fast-paced performance. With the decision to venture into full-time RVing comes a variety of precious moments, memories, experiences, and simplicity. Life becomes true to its original purpose Ã¢â ¬â œ living in the now. Life becomes simpler. Instead of keeping up with the Joneses, you are allowed to set the pace of your own life and get in touch with what really matters Ã¢â ¬â œ living, experiencing, and community.Within this book are the basics of living full time in an RV. This book contains everything you need to know, from the benefits of RVing to working while traveling, choosing an RV, maintaining an RV and much more.Within this book's pages, you'll find the answers to these questions and more. Just some of the questions and topics covered includeRV Living Ã¢â ¬â œ Is It for You?Buying an RVGetting ready for the RV LifeRV Living and MoneyMaintaining your RV and the dreaded task of dumpingRV resourcesMuch more!In that moment when you step into the unknown, you step into a new adventure, new experiences, and new levels of freedom. RVing is all about letting go of the unnecessary in order to embrace the core of who you are and how you define your life.Book 2: A Practical Guide to RV Living Full-timeFinally, you have found an RV book that focuses on the practical stuff! In this book, you will get new and practical guidance that you can apply right away. For example, there is a step by step guide for you to follow if you want to buy an RV successfully. When it comes all the small stuff like mail, checklists, etc. donÃ¢â ¬â„¢t worry Ã¢â ¬â œ this book got you covered. A book that actually has useful information that has been distilled from years of experience in regards to RV living:The pros and cons of buying a new vs. used RV as well as information about how I would approach it todayHow to buy a used RV without getting ripped offA step by step guide to successfully buying an RVHow to finance your RV lifestyleThe cost of RV living as well as an example of a budget87 Tips for saving money while RVing5 ways to deal with laundryHow to get mail while RVingMeals that I like to eat and that I recommend while RVing as well as a few tips in regards to cookingDealing with the medical things while RVing77 things to bring with youHow to find great public campgroundsMuch more!Download

Customer Reviews

This book contains everything we need to know, from the benefits of RVing to working while traveling; choosing an RV, maintaining an RV and more, experience is still the best teacher. Within this book are the basics of living a full time in an RV. This book is a comprehensive and practical guide when considering living through RV.

I am very happy with both. They are chalked full of resources and lists for being organized. I would highly recommend this to all rvers. The info is something I will go back to time and time again! Thanks Mr. Jones for the help, I am a senior and brand new to RV ing.

RV travel is a unique opportunity for your children to see new and different places and faces. You need tips on RV living and instructions to avoid mistakes that any beginner probably makes. The purpose of this book is to help you do things successfully during your RV living experience. You

should have a second checklist of things all the time that have to be done to break camp and set up your RV for departure.

Good information, easy read.

Information is very basic. Picked up a few things, but that's about it. Pages and pages of RV manufacturers and models. Didn't see the point in that other than to add volume. Would only recommend to someone that has no experience whatsoever.

This brings book brings out several scenarios about RV life the average person might overlook. Lots of helpful tips for beginners. I learned a lot. Thoughtfully detailed guidance and many tips for those considering the RV living lifestyle.
