I am now in my 2nd week of Clarinet. I quickly learned how to play the notes above the break and below. I have not arrived at flats and sharps but this book has already got me playing Christmas Songs. I was a bit hesitant in playing low G, F and A, but this book of Christmas Songs made me want to try. I did and found I could. Some books just pull you along and this one is such a book. I would not wait until Christmas. If you are learning Bb Clarinet order it now and move through it and discover just how much fun your Clarinet can be when you play familiar Christmas Songs. Thanks Amanda Oosthuizen for producing this book. I love it.

My daughter loves this book. She has been playing for 3 years now and it was very easy for her to

learn and memorize on her own.

My grandson (age 9), who has just begun to play the clarinet, was immediately able to play tunes from the book. It is exactly what we were looking for to inspire a beginning musician.

great

Perfect for my 1st year clarinet player
