Customer Reviews

Ok - quality control failed here. The book I received had repeated pages. Multiples of "Go F--- Yourself" page with the exact same design. Definitely not 40 designs as advertised. Wish I would have bought a different book.

My favorite coloring book.Yes, it’s vulgar but I think that vulgarity is some of the stress relieving part of it all. Very complex pictures that you can make extremely detailed if you want. Keep your pencil sharperner on hand for these pages. I enjoy this coloring book and I may buy another when this one is complete.

This was a great little coloring book. The night edition really makes the colors pop off the page. Not all of the phrases were ones I recognized, but that added to the fun as a gag gift.

lost in translating on some of the pages, definitly made abroad.

Perfect!

excellent pictures to color, well worth the price

Love it
