great buy

English only

Comparing this score to other scores using the Ruth and Thomas Martin translation shows that the G. Schirmer score has a lot of word changes. This is frustrating when performing with a large group because everyone has different editions and causes need for a lot of correction. Also, I was disappointed that this particular Schirmer score doesn’t include the original language. Other scores I’ve gotten have the foreign language in addition to the English translation, but this only has the English. I’m not sure why this is, but I had to buy a second score so I could learn the arias in German.

I assumed it was in German since the title was in German... but I think Fledermaus never uses "The Bat"...The English version is very common in the US and for Young Artist Programs. Schirmer often has little mistakes and the piano reduction can be difficult to read.

I expected the German version, but this one is the English version. Otherwise, it’s in good condition.

Excellent reference. I used it when staging Die Fledermaus. The music is accurately written and the size of the font is large enough.

I was really surprised when I had my score.It was brand new not even used and the shipment was perfect.

Perfect score in English!
