For a small town, Branson, MO and its environs has so much you can’t even begin to tap it with a full two weeks’ vacation there. You’d be advised to have some help. "The Insiders’ Guide to Branson" offers that help so you can make the best and most efficient use of your vacation money and time. Whether it’s the shows and other entertainment, eating, shopping, daytrips, or investing in some local land buys, the "Guide" provides interesting, entertaining, and helpful information by two witty local insiders who live there. I can’t imagaine anyone going to vacation to Branson without this book.

This book is absolutely fantastic! It is the most complete guide book on Branson I have ever read. I would highly recommend it to anyone planning a trip to Branson. The chapter about the Shows was very informative as well as entertaining. I loved the chapters on shopping and the lakes. I wouldn’t plan a trip to Branson without first consulting my Insiders’ Guide.
