Synopsis

Very Kinky Girls is a collection of short extremely kinky stories. It is a debut sampler of seven tales of erotic wildness. Each girl embraces all aspects of their own explicit fantasies in each tale, whilst cloaked in the anonymity of London. Some girls are very gothic and dominant. Others are aroused by their submissive desires as they surrender to the will of a trusted confederate, which may be either male, female, or a bit of both. The girls' tastes are very refined and often humorous. Their personalities are highly tuned towards deeply empowered psychological scenarios that satisfy a whole host of their own libertine and outrageous desires. Very Kinky Girls is a book that embraces the fantasy and escapism of women who enjoy pleasure in the realms of their own private, and often lascivious, entertainment.

Customer Reviews

Fabulous done. The book is far and beyond amazing piece and wonderfully written. A point of view by many Mistresses that can get the submissive in the deserving matter. Love the way the dark side tingles; as the children of the night portray in the modern times. Excellent done
