Very helpful in verifying whether the condiment jar you want to bid on eBay has the correct spoon! Before I had this book, I made many purchase mistakes of mismatched jars, sellers are not always honest or don't know themselves they are selling mismatches, this book is a huge help in protecting my purchases & knowing what I'm really getting. Much more than just Holt Howard, also Davar (Pixies similar to HH), Lefton, Lipper Mann (Flower Girls), Jolly Girls, Dolly Girls, Napco, and many other companies that produced Holt Howard 'Wanna Bees'! Also covers HH 2nd generation. There is history on each company, along with gorgeous full color pictures with annotations listing the price and name and any info known about each item, throughout the whole book. I have seen on eBay a few items that were not in this book, but the set that they belong to were in the book. If you collect vintage kitchenware, this book is a definite MUST HAVE guide!!

I’m very happy with this book, as it includes items that I have in my collection that the previous book doesn’t. Thank you!

I think this book is wonderful! Great Graphics and loads of information! I love all the knock-offs which really helps in finding out if you have the real deal or not! If you collect Holt Howard or even the knock-offs you will really enjoy this book!

great condition, great quality of pages and cover. very informative and will use it often when im out at auctions or thrifting.

Great book for both the collector and dealer of Holt Howard ceramic items from the past. Lots of color photos along with current values make this book a must have for your reference guide collection. Very well put together book. I highly recommend it. You will be pleased too. Thank you.

Very detailed. Just the information I was looking for. Great for beginning collectors with lots of important information. Wish it was a little more detailed with the Christmas collectibles.

Just as described

The book is very good on Holt Howard Collictibles & those that have copied H.H. Price guide is good/fair & gives information so one does not get ripped off on a H.H. want-to-be, or even a Holt Howard item that has a miss-matched top/bottom. Highly recommended.
