Synopsis

The prospecting vessel Long Time Coming is more than your average explorer ship. Underneath the grit and grime, it`s part of the Office of Naval Intelligence, and its crew and `prospecting equipment` are en route to the front lines. That is, until the ship encounters a strange phenomenon in slipspace that sends the vessel plummeting toward an unknown planet. But they`re not the only ones shipwrecked on this world - a world that`s more than just an anonymous hunk of rock. It`s a story of war, survival and, above all else, a family of Spartans who will never let each other down.

Customer Reviews

This Halo comic tells a great tale of a group of spartan, more of a family of Spartans. The art is well done, and fits with the Halo 2 and 3 style. Although there are some plot points that could use some explanation, or felt a bit lacking, the overall narrative is quite good. It fits in well with the rest of Halo canon, and is a welcome addition to Halo lore.
