Synopsis

Building on the belief that the task of exegesis is to understand the divine-human intention locked within the biblical text, Gordon Fee provides a lucid step-by-step analysis of exegetical procedures that has made New Testament Exegesis a standard textbook for nearly two decades. Now more than ever, with an updated, newly integrated bibliography and an appendix directly addressing reader-response criticism, this essential, classic guide will assist students, scholars, and clergy in coming to grips with the New Testament.

Customer Reviews

Some fresh Ideas about understanding the true meaning of scripture.

It’s largely a step by step process. He has lots of charts and diagrams that he wants you to refer back to and he directs you to lots of other resources that he suggests. He uses NASB and doesn’t mention ESV. He mentions many translations and does explain how to use BDAG and Greek in the

exegeis procedure.He uses a higher level of vocabulary and I find it to be a hard and slow and sometimes boring read.Most of it appears to be a manual more than a book. Fee does explain things but its still much like a manual for much of the book. The diagrams are helpful though and he makes good points.

Used for my Seminary studies. Great resource.

New Testament Exegesis . . . written by Gordon Fee by way of British Columbia is a great study tool for anyone interested in understanding the Bible more clearly.

A must have as you study the New Testament.

Very helpful and we'll written. Gordon Fee has done a superb job. I am having my hermeneutics students read this also.

An excellent resource.

Great book
