Beautifully written and illustrated. My daughter LOVES this book!

I bought this book along with at least 7 other books. I had never heard of the book before but based on the reviews, I thought I'd give it a shot. I must say that I was definitely not disappointed. Out of all the books that I bought, this by far is one of my favorites! The words are so sweet and truly reflect how I feel about my little baby.The one thing I would caution is that this board book did NOT come with a CD of the song that many of the reviews reference. If I'm mistaken, and I just didn't get it - please let me know because I would love to have it! However, even without the CD of the song, this book was well worth what I paid and will continue to be a book that I read to my son and future children (fingers crossed) for a long time.

My 22 month old son LOVES this book and insists on taking it to bed with him. This is our second one because when he was younger the binding broke apart on the first one, probably due to over use and insistence of keeping it with him everywhere.

I love this book! The only problem is that is says "(Songs of Gods Love)" but it did not include the CD. I expected there to be a cd to sing along and show the tune the story should be sang in. I still love the story and love that it is a board book so my son can't destroy it.

This was a gift. I thought it was a great book

Best children's book I've come across that expresses love to a child in varied ways that will speak to all children's hearts!! I recommend it to anyone who has children in their life!

I love this book and read it at naptime to my 19-month-old son. It has a beautiful message about a mother bear who relates her love to her cub as high, deep, long and wide. (Ephesians 3:17) At the end, the story draws to a close with the mother bear telling her cub that the Heavenly Father's love is even greater. The only reason I give it four stars and not five is that, in places, the rhyming/timing is a little off and forced. Otherwise, very sweet with a beautiful message.

Great book and sweet song to sing to your kids before bedtime. They love it!
