Required for class. Was interesting to see and easy to use

This has been a life saver in our homeschooling experience! What a wonderful resource!

Perfect to go with the mystery of history curriculum.

I bought this to supplement lessons for my teens, and had to buy another one for the adults. It includes maps of earliest biblical times, through the various empires, to the time of Christ, and also includes maps of the spread of the church, the Roman Empire and archeological sites. The maps are clear and well-indexed. It has been everything I have needed.

Yes, it met my expectations so much so that I bought two more for my Summer Bible Study class. They commented how helpful it was to them, too! I hope it never goes out of print. Thanks and blessings....

This has been wonderful for our kids - especially with the Mystery of History curriculum.

This is very helpful to go along with the mystery of history curriculum.

I needed it for a bible class. It worked.
