## Customer Reviews

This book has got tons of good material to entertain your kids.Many of the jokes are well-known, but it’s good to have them all together in one book. At the same time, I have a feeling the author wanted to collect as many of them as possible here. In some cases, this means he included even those jokes that are boring and not funny at all.What we really enjoyed are tongue-twisters. E.g. "green glass globes glow greenly". Very cool! But those are NOT unique, unfortunately. I’ve heard many of them before.In overall, I think this book is worth 4 stars, unless you are looking for 100% uniqueness.

The jokes were okay. Some are ridiculous. Some are funny.
