Synopsis

This guidebook describes 25 short easy walks exploring the Channel Islands of Guernsey, Alderney, Sark and Herm. 20 of the walks described are on Guernsey. The routes are mostly circular, mainly on paths, tracks and quiet roads, and can easily be combined to make longer outings. Most walks are between 5 and 15km (3 and 9 miles) but the book also includes a description of the Guernsey Coastal Walk, a 63.5km (39 mile) walk around the entire coast of the island. Famed for its sunshine, its history and its wonderful coastline, Guernsey offers superb year-round walking. As well as clear route directions and mapping and practical advice on travel and accommodation, the book is crammed with fascinating information about these intriguing islands.
