Customer Reviews

These books keep my reluctant 7 year old reader captivated. I have 2 1/2 binders (printed from PDFs) now full of Skeleton Steve's stories, larger than any "intimidating" chapter book, and he reads them again and again. I prefer printed over digital, hence the binders, since my son doesn't have a reader of any kind and I want him to be able to read them at any time. They look awesome on his Minecraft Lego collection shelf and he is so excited that I just added Skeleton Steve's newest works!

Can you write more of these? Or the 'the noob days' books? And I like the Minecraftians in it.
