Synopsis

Ariana loves her life as a schoolteacher in a little frontier town. But one evening after classes are done and she prepares to hurry home, her life changes in an instant when a band of rough outlaws abduct her and take her far away from all she has ever known. Trapped in a small shack, Ariana prays and waits, her emotions swinging between terror and boredom as days stretch into weeks. Still, the outlaws refuse to tell her why they've taken her or what they plan to do.Then the boss's son appears in the doorway of her cabin. He seems different from the others, but can she trust him? Will she ever again see her mother and father, the couple who lovingly adopted her and raised her as their own? Will she ever wear the beautiful wedding dress so carefully saved for her--her one remaining link to her birth parents?

Customer Reviews

This is a book I would read once, enjoy it, put it back on the shelf and forget about it. Its one of those books that wasn't a waste of time or money, but isn't something you would want to read again and again.

I really enjoyed the story and the easy connection to the characters. The historical parts were interesting. God was central in the characters lives. I recommend the author and the book. Thank you for writing Christ centered stories. May the Lord bless you.

I had never read one of your books before but I know now I Definitely will. This story story based on many challenges and changes with the undeniable guidance from God should be read by all. Enjoy

This is a really good romance. It has me hooked on the first page. There is a lot o Scripture that emphasizes trust in the Lord for all things. Had a couple of good surprises.

This excellent historical novel is masterfully written, with unforgettable characters and a unique plot that will keep readers turning the pages. The surprising twist toward the end is touching and explains the book title.

What a wonderful series. I am so happy that I purchased this. Makes you think about your relations with God.

This is an absolutely wonderful book. Great story, well written and unlike many of the kindle, had a good proof reader

Very interesting lean on a love story. People from two different worlds working together to change there worlds. I liked it.
