Great product except it was not the size I wanted. I currently have pocket version and it is a lot larger (5 x 7). You should have specification on listing on it's overall size.

First five words I looked up were not there; but what did I expect?Good for simpler words. Perhaps for a middle school student?

Really pocket size, easy to carry. Fonts are small but my son can read w/o any problems.As other reviewers said, this is indeed not so claimed latest, but 2000 edition. I hope the description can be updated.

really pocket size.. now i can consult the meaning of words at any given time.

like it;

Needed this exact dictionary for a class, didn't disappoint. Just what I needed. I tried looking at 4 different stores and they didn't have this particular one. Glad I found it here.
