Janet Rae-Dupree covers innovation, science, and technology for a number of publications. Pat DuPree has taught anatomy/physiology, biology, medical terminology, and environmental science.

Wonderful review of undergrad A&P material in prep for postgraduate level courses.

Information is presented clearly with words and pictures. I learned a great deal.

It's okay. Helpful for review. I like the format -- gives some added humor to a dry subject.

needed this!

Very helpful! I'm using to review for my A & P college class.
