Synopsis

After the Japanese attacked Pearl Harbor, the loyalty of Japanese Americans was questioned simply because of their ancestry. Author David K. Fremon looks at the events behind this unfortunate episode from American history, highlighting the personal accounts of many Japanese Americans who were forced to live through this difficult time. The effects of this internment are still emerging, but the United States today recognizes that injustices were inflicted on thousands of Japanese Americans.

Book Information

Series: In United States History

Paperback: 98 pages

Publisher: Enslow Publishers (September 1, 2014)
