Customer Reviews

Hartman Publishing began offering in-service education programs to long-term care facilities and home health agencies in 1994. Students and teachers using our materials benefit from a company focused solely on educating and inspiring caregivers.800-999-9534 hartmanonline.com

nice

I need to take care of a husband who had a stroke. I took the nursing assistant course to help me. When there was no text, I bought this, and it has been and will be perfect. I used it as a review text in class, and I now use it as a reference when I need to brush up on a skill. Oh, I passed the registry examination easily.

Best book to get and it has study question at the end of every chapter.

I have bought many items over the internet. Most of my prior purchases were with mixed feelings.My first ever purchase with .com to buy cna book is a resounding success. The book not only came in great condition but timely. I am no longer afraid to use .com.

Loved this book, very clear and well set out. Very helpful when trying to learn the ropes in an aged care home.

Very informative and cover the basic knowledge of CNA. The book provided great pictures/diagram including bold words to emphasize the meaning of a word.

Got it today very will start using it for school next week, will use it as the main text book thank you very much George

I Currently have gotten my NA/CNA because of all the information that this book provides, I found it very helpful and informative and inspiring me to pursue being a RN, Thank You. Keith Bundy
