And it is very convenient to use. This tri-fold six page, printed front and back, laminated guide is punched for a three-ring notebook.It has two sections as the name implies.The grammar section includes:- Words: roots, prefixes, synonyms, antonyms, adopted words, multiple meaning.- Parts of Speach: nouns, pronouns, adjectives, verbs, adverbs, conjunctions, prepositiions, articles and interjections.- Parts of a sentence: subject, predicate, object.- Sentence types and forms: declarative, imperative, interrogative, exclamatory; simple, compound, complex and compound-complex sentences.- Dependent clauses.- Sentence structure and clarity.- Agreement: verbs, pronouns.- Misplaced and dangling modifiers.- Sentence flow & phrasing: parallelism, transitions, word choice, action verbs.The Punctuation & Mechanics section includes:- Punctuation: end punctuation, commas, quotation marks, parentheses, etc.- Mechanics: abbreviations, capitalization, italics, numbers, paragraphing and spelling.The printing is crisp and clear. The

subjects appear in different color backgrounds for ease in identification.

I had a reference book like this when I was in elementary school. It has been a long time since I've been in elementary school. I have been searching for a good reference guide for a long time.I prefer the old-school material because the information is complete accurate. English Grammar & Punctuation is an old-school reference book. For the professional, student, or anyone who is in need of good, quick English reference guide, this one will more than suffice.See, I learned to use a comma between coordinate adjectives (good, quick).

The English Grammar & Punctuation Quick Study provides simple answers and steers you in the right direction. Because the guide is "short and sweet" you will need to consult a more thorough English Grammar Book for additional detail. Nevertheless, this guide provides most all the answers you need for a quick review. I find it very useful in reviewing basic grammar, especially since I have been out of school for several decades.

I own several of the Quick Study Guides. They are durable and great for a quick reference or review. Since they are plastic coated and punched for a three ring binder so they are very easy to use and store. The English Grammar & Punctuation covers nouns, pronouns, adjectives, verbs, adverbs, prepositions, conjunctions & interjections and how they combine to form clauses, phrases & sentences. Great for review and to verify you are doing it right.

This has been such a easy fast and helpful guide to have close by me as I write my books. So glad I got it.

I teach ESL and these are very handy for both my students and as "cheat sheets" for me!

perfect item, perfect seller. Thank you.

These laminated quick-reference guides are great. The guides have practically everything necessary for situations such as classroom study, writing in general, and writing online. I still use my Grammar guide from time to time, even after I graduated.
