This is a small, concise guide to all sorts of food in Baltimore and nearby. Baltimore City and county are divided into 14 areas. Some restaurants `worth the drive' are in a separate section, but are just listed alphabetically by restaurant; you have to search for an area by leafing through the pages.In the Baltimore section - each is separated by 'faves', restaurants that are landmarks and then

specialty stores and markets. This is a great way to look for restaurants and places to eat. There are maps, but the restaurants are not marked on them. Something is told about each area. Each restaurant has the address, telephone number, web site, food type and general cost. There is quite a bit told about each place.The book also has several pages describing web sites and a list of food festivals. Inserted are some interesting tidbits about Baltimore treats...Goetze's Caramel crÃƒÂ¨mes, Smith Island cakes, picking crabs. I do wish they would have included more about Berger cookies; they are coveted by many across the country, even used as bets by public officials against other cities for sports events. There are a few recipes included from some of the places mentioned.This is an excellent source for locals and visitors alike.

Bought this as a gift for out of state family who were moving to Baltimore! They said they love all the suggestions and have even been to a few places from the book already. They've only been here for a few months so that's a win!

good - but it missed a lot of exceptional restaurants. Baltimore seems to have some of the best restaurants anywhere I have visited.

WHEN WE GO TO BALTIMORE.WE ARE ALWAYS LOOKING FOR NEW RESTAURANTS AND NOW WE KNOW WHERE TO GO AND WHAT THEY HAVE AND SOME MANY MORE PLACES TO TRY THAT WE DID NOT EVEN KNOW ABOUT.

As new.

Great book. Love it.

I like the recipes

I ordered it on a whim, but it turned out to be the most useful and valuable of my Baltimore travel references--thank you!
