Synopsis

Something haunted this way comes Ã¢â ¬Â¦ and it means big things for Ghost Hunters, Inc.It seems Phantoms, one of the most popular shows on the Independent Ghost Hunting Network, is interested in doing a location shoot at Ludington Asylum, which just happens to be located on a small island near Whisper Cove.Since childhood, Harper Harlow has been infatuated with the story of a crazy doctor gone rogue and the resulting investigation that found numerous missing patients (but no bodies) at the former institution. Producers want to feature Harper and Zander on their show, and Zander is happy to oblige despite HarperÃ¢â ¬â„¢s reticence.Sensing his girlfriend is struggling under the weight of her worry, Jared Monroe takes some vacation time and decides to tag along on whatÃ¢â ¬â„¢s supposed to be a three-day excursion full of mayhem and madcap adventure.Not long after landing, people start disappearing and HarperÃ¢â ¬â„¢s not convinced itÃ¢â ¬â„¢s the ghosts running roughshod over the group. It seems they might have a killer in their midst, although unraveling the hows and the whys of an old mystery overlapping with a new one is anything but easy.ItÃ¢â ¬â„¢s a race to the finish for Whisper CoveÃ¢â ¬â„¢s favorite ghost hunter. She has to solve a mystery with ties to the past, save her friends and the man she loves in the present, and find a way to help the trapped spirits so they can look forward to a different future.Of course, Harper has to survive herself to do it. Someone is bound and determined to make sure that doesnÃ¢â ¬â„¢t happen, and itÃ¢â ¬â„¢s going to take everyone working together to survive until the final day.

Customer Reviews

I love Ms. Hart’s books! They’re interesting without being scary.
