Customer Reviews

When two people are caught in a scandal by others and agree to marry but live separate lives, what will happen to them? When other people interfer AGAIN, how will Candace and Corin get even? And where in the world is the happy ending? I highly recommend this final novel in the 'Marriage By Bargain' Series, and also the other series: 'Marriage By Scandal'; 'Marriage By Deceit'; 'Marriage By Arrangement' and 'Marriage By Fate'. Every novel is a Regency Adventure and are among my very favorite series!!

CELIA attempts to trap CORIN in a scandal to force a betrothalBUTCANDACE is caught in the middle of the scandalCORIN and CANDACE are forced to marryAfter 10 months of marriageCELIA decides the couple needs her helpLondon will never be the same ;-)))))

4.5 stars. I've been looking forward to getting to know Candace. Her past has been one of cruelty and she's finally found peace in being a widow. I understand her angry reaction to losing that freedom and her assumptions about Corin. Corin is equally angry. He's so sure that she's just as deceptive as Celia. I did like that he realized that he was wrong and set about fixing the situation. Corin impressed me even more with his love and devotion to his brother and his realization that both of his parents had valuable things they taught him. The ending left me with a smile.Adult read
