Now will people finally stop using this word. It’s just eww and makes people cringe. Well done Virginia. Can’t wait for the next one.

It’s icky! That’s all I got. It’s icky, I will use this word way more in conversation since reading this book.Icky!

The intro to this book had me in tears laughing so hard! Great 5 minute read of how horrible this word is!

So ridiculously hilarious and oh so true! Grab a free pee pad and some tissues so you can pee yourself laughing and cry tears of joy from the truth pouring from these pages! Learn something about one of hose words that needn’t ever be used! A classic!

What a delightful addition to this series of offensive words! My favorite part is the little annotations that go with some of the translations. I can’t wait to see what word cums next?!

Needing a laugh.... then this is for you. Life’s to short to NOT read these short stories about bad words. Go on live a little.

Absolutely hilarious!!! This book has made my day & night!!! I look forward to reading more of this very funny series.

Another hilarious addition to Virginia Johnson’s Bad Words Made Funny series. A funny light read for an icky word. Love it!
