Borch makes tough, long-lasting maps with non-toxic, environmentally responsible lamination material.

With Ireland’s damp weather having a laminated map is the key to having a readable map by the end or your trip. Perfect in so many ways

Great map, easy to read, and has everything you need to walk around Dublin. Print is easy enough to read without a magnifying glass.It also has the more popular hotels marked. I’m very happy with this map and have bought their maps for other cities.

It is a nice map, just wish it had bigger print. Used it in Dubin. A good map, better than those given free by their board of tourism.

Larger than I thought it would be
